INTERSTATE COMMERCE COMMISSION

CONDITIONAL SALE AGREEMENT

Dated as of June 1, 1970

among

INTERNATIONAL RAMCO, INC.,

C. I. T. CORPORATION

and

READING COMPANY

[Covering 10 Cabooses]

CONDITIONAL SALE AGREEMENT dated as of June 1, 1970, among the corporation named in Item 1 of Annex A hereto (hereinafter called the Vendor or Manufacturer as more particularly set forth in Article 27 hereof), C. I. T. CORPORATION, a New York corporation (hereinafter called the Company), acting herein through its agent C. I. T. LEASING CORPORATION, a Delaware corporation, and READING COMPANY, a Pennsylvania corporation (hereinafter called the Guarantor or the Lessee).

WHEREAS, the Manufacturer agrees to construct, sell and deliver to the Company, and the Company agrees to purchase, the railroad equipment described in Annex E hereto (hereinafter called the Equipment); and

WHEREAS, the Company is executing a lease of the Equipment as of the date hereof to the Lessee in substantially the form annexed hereto as Annex C (hereinafter called the Lease) and the Guarantor is willing to guarantee to the Vendor the due and punctual payment of all sums payable by, and the due and punctual performance of all other obligations of, the Company under this Agreement and has joined in this Agreement for the purpose of setting forth the terms and conditions of such guaranty and making certain further agreements as hereinafter set forth;

Now, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. *Construction and Sale.* Pursuant to this Agreement, the Manufacturer will construct the Equipment at its plant set forth in Annex B hereto and will sell and deliver the Equipment to the Company and the Company will purchase from the Manufacturer and accept delivery of

and pay for (as hereinafter provided) the Equipment, each unit of which will be a new standard-gauge unit of railroad equipment constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may have been agreed upon in writing by the Manufacturer, the Company and the Guarantor (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of the Equipment will conform to all Department of Transportation requirements and specifications for new equipment and to all standards, if any, recommended by the Association of American Railroads, reasonably interpreted as being applicable to railroad equipment of the character of the Equipment as of the date of this Agreement.

ARTICLE 2. *Delivery.* The Manufacturer will deliver the various units of the Equipment to the Company, at the point specified in, and in accordance with, the delivery schedule set forth in Annex B hereto; *provided, however*, that no delivery of any unit of the Equipment shall be made until this Agreement and the Lease have been filed pursuant to Section 20c of the Interstate Commerce Act.

The Guarantor represents and warrants that: (i) the Equipment will upon delivery to the Company be "rolling stock of the type used by a common carrier engaged in the furnishing or sale of transportation by railroad and subject to the jurisdiction of the Interstate Commerce Commission" within the meaning of Section 184(d) of the Internal Revenue Code of 1954, as amended to the date hereof (hereinafter called the Code). The Manufacturer, to the best of its knowledge, and the Guarantor represent and warrant that, at the time of the delivery of the Equipment to the Company, the Equipment will not have been used by any person and no amortization or depreciation will have been claimed by any person with respect thereto.

The Manufacturer's obligation as to time of delivery is subject, however, to delays resulting from causes beyond the Manufacturer's reasonable control, including, but not limited to, acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood explosion, damage to plant, equipment or facilities, or delays in receiving necessary materials.

Notwithstanding the preceding provisions of this Article 2, any Equipment not delivered, accepted and settled for pursuant to Article 3 hereof on or before December 31, 1970 (unless such date is extended by the Company, the Guarantor and the Vendor by appropriate written agreement), shall be excluded from this Agreement and not included in the term "Equipment" as used in this Agreement. In the event of any such exclusion (a) the Vendor, the Company and the Guarantor shall execute an agreement supplemental hereto limiting this Agreement to the Equipment theretofore delivered, accepted and settled for hereunder and (b) if such exclusion resulted from one or more of the causes referred to in the next preceding paragraph, a separate agreement shall be entered into between the Manufacturer and the Guarantor providing for the purchase of such excluded Equipment by the Guarantor, on the terms herein specified, payment to be made in cash on delivery of such Equipment either directly or by means of a conditional sale, equipment trust or such other appropriate method of financing the purchase as the Guarantor and the Manufacturer shall mutually determine.

The Equipment shall be subject to inspection and approval prior to delivery by inspectors or other authorized representatives of the Company (who may be employees of the Guarantor), and the Manufacturer shall grant to such inspectors or such authorized representatives reasonable access to its plant. From time to time upon the completion of

the construction of a unit or a number of units of the Equipment, such unit or units shall be presented to such inspector or other authorized representative for inspection at the place designated for delivery of the Equipment and, if each such unit conforms to the Specifications, such inspector or authorized representative shall execute and deliver to the Manufacturer, in such number of counterparts or copies as may reasonably be requested, a certificate of delivery and acceptance (hereinafter called the Certificate of Acceptance) stating that such unit or units have been inspected and accepted on behalf of the Company, conform to the Specifications and to the Department of Transportation requirements and are marked in accordance with the provisions of Article 9 hereof; *provided, however*, that the Manufacturer shall not thereby be relieved of its warranty contained in Item 3 of Annex A hereto.

On delivery of each of the units of Equipment hereunder and acceptance thereof on behalf of the Company as aforesaid, the Company shall assume with respect thereto the responsibility and risk of loss or damage.

ARTICLE 3. *Purchase Price and Payment.* The base price per unit of the Equipment is set forth in Annex B hereto. Such base price is subject to such increase or decrease as is agreed to in writing by the Manufacturer, the Company and the Guarantor. The term "Purchase Price" as used herein shall mean the base price as so increased or decreased. If on any Closing Date (as hereinafter defined in in this Article 3) the aggregate of the Invoiced Purchase Prices (as hereinafter defined in this Article 3) for which settlement has theretofore been and is then being made under this Agreement and the Conditional Sale Agreements referred to in Item 4 of Annex A hereto (hereinafter called the Other Agreements), would, but for the provisions of this sentence, exceed \$2,933,330 (or such higher amount as the

Company may at its option agree to), the Manufacturer, the Company (and any assignee of the Manufacturer) and the Guarantor will, upon request of the Company, enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Company, as will, after giving effect to such exclusion and any concurrent exclusion, if any, under the Other Agreements, reduce such aggregate Invoiced Purchase Prices under both this Agreement and the Other Agreements to not more than \$2,933,330 (or such higher amount as aforesaid), and the Guarantor agrees to purchase any such unit or units so excluded from this Agreement from the Manufacturer for cash on the date such unit or units would otherwise have been settled for under this Agreement either directly, or, if the Manufacturer and the Guarantor shall mutually agree, by means of a conditional sale, equipment trust or other appropriate method of financing.

The Equipment shall be settled for in not more than three groups of units of the Equipment delivered to and accepted by the Company (each such group being hereinafter called a Group), unless the Company, the Guarantor and the Manufacturer shall otherwise agree. The term "Closing Date" with respect to any Group shall mean such date (not earlier than August 20, 1970 and not later than December 31, 1970), occurring not less than seven business days following presentation by the Manufacturer to the Company and the Guarantor of the invoice and the Certificate or Certificates of Acceptance for such Group, as shall be fixed by the Manufacturer by written notice delivered to the Guarantor, the Company and the Vendor at least five business days prior to the Closing Date designated therein; *provided, however*, that the aggregate Invoiced Purchase Prices of units of the Equipment settled for pursuant to this Agreement and the Other Agreements on any Closing Date oc-

curing prior to September 15, 1970, may not exceed \$2,333,333. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and holidays.

The Company hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

(a) On the Closing Date with respect to each Group (i) an amount equal to 25% of the aggregate Purchase Price of such Group plus (ii) the amount by which (x) 75% of the aggregate of the Purchase Price of all units of the Equipment covered by this Agreement and the purchase price of all units of railroad equipment covered by the Other Agreements for which settlement has theretofore and is then being made, as set forth in the invoice or invoices therefor (said invoiced price being herein called the Invoiced Purchase Prices) exceeds (y) the sum of \$2,200,000 and any amount or amounts previously paid or payable with respect to the Invoiced Purchase Prices pursuant to clause (ii) of this subparagraph (a) and clause (ii) of subparagraph (a) of the third paragraph of Article 3 of the Other Agreements (said excess of clause (x) over clause (y) being hereinafter called the Excess Amount); *provided, however*, that if settlement is also being made on such Closing Date for units of railroad equipment under the Other Agreements, the amount payable pursuant to clause (ii) of this subparagraph (a) shall be that proportion of the Excess Amount which the Invoiced Purchase Prices payable on such Closing Date under this Agreement is of the aggregate of all the Invoiced Purchase Prices payable on such Closing Date under this Agreement and the Other Agreements; and

(b) In 20 consecutive semiannual instalments, as hereinafter provided, an amount equal to the aggregate

Purchase Price of the units of Equipment in the Group for which settlement is then being made, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of this paragraph.

The first instalment of the portion of the Purchase Price of each Group of the Equipment payable pursuant to subparagraph (b) of the preceding paragraph (said portion of the aggregate Purchase Price for all Groups being herein called the Conditional Sale Indebtedness) shall be payable on February 1, 1976, and subsequent instalments shall be payable semiannually thereafter on February 1 and August 1 of each year to and including August 1, 1985 (or if any such date is not a business day on the next succeeding business day), each such date being hereinafter called a Payment Date. The unpaid balance of the Conditional Sale Indebtedness shall bear interest from the Closing Date in respect of which such Conditional Sale Indebtedness was incurred at the rate of $10\frac{3}{4}\%$ per annum and such interest shall be payable, to the extent accrued, on February 1 and August 1 of each year, commencing February 1, 1971 (or if any such date is not a business day on the next succeeding business day). The principal amount of Conditional Sale Indebtedness payable on each of the 20 semiannual Payment Dates shall be calculated on such a basis that the aggregate of the principal and interest payable on each Payment Date shall be substantially equal and such 20 instalments of principal and interest will completely amortize the Conditional Sale Indebtedness. The Company will furnish to the Vendor and the Guarantor promptly after each Closing Date a schedule, in such number of counterparts as shall be requested by the Vendor, showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months.

The Company, subject to the provisions of the last paragraph of this Article 3, will pay interest at the rate of 11% per annum upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof, anything herein other than said last paragraph of this Article 3 to the contrary notwithstanding.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. Except as provided in Article 5 hereof, the Company shall not have the privilege of prepaying any portion of the Conditional Sale Indebtedness prior to the date it becomes due.

The parties hereto contemplate (subject to the limitations set forth in the first paragraph of this Article 3) that the Company will furnish that portion of the Purchase Price for each Group of the Equipment as is required under subparagraph (a) of the third paragraph of this Article 3 and that an amount equal to the balance of such Purchase Price shall be paid to the Manufacturer by an assignee of the Manufacturer's right, title and interest under this Agreement pursuant to an Agreement and Assignment dated the date hereof between the Manufacturer and The First Pennsylvania Banking and Trust Company, as Agent (such Agreement and Assignment being hereinafter called the Assignment and such assignee being herein called the Assignee or the Vendor as indicated in Article 27 hereof).

It is agreed that the obligation of the Company to pay to the Vendor any amount required to be paid pursuant to the third paragraph of this Article 3 with respect to any Group of the Equipment is specifically subject to the following conditions:

- (a) the Assignee shall have paid or caused to have been paid to the Manufacturer the amounts contem-

plated to be paid by it as provided in the preceding paragraph of this Article 3 and in Section 5 of the Assignment and the documents required by Section 5 of the Assignment shall have been delivered as therein indicated;

(b) no event of default of the Guarantor specified herein nor an Event of Default (as defined in the Lease) of the Lessee under the Lease, nor any event which with the lapse of time and/or notice provided for herein or in the Lease would constitute such an event of default or an Event of Default shall have occurred and be continuing;

(c) the Company shall have received (i) the opinions of counsel required by §§ 14 and 15 of the Lease and (ii) such other documents as the Company may reasonably request; and

(d) the Company and the Guarantor shall have entered into the Other Agreements with the respective parties thereto.

Notwithstanding any other provision of this Agreement, it is understood and agreed by the Vendor that liability of the Company for all payments to be made by it under and pursuant to this Agreement, with the exception only of the payments to be made pursuant to subparagraph (a) of the third paragraph of Article 3 hereof, shall not exceed an amount equal to the income and proceeds from the Equipment. As used herein the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 17 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Company at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect

of Casualty Occurrences (as hereinafter defined in Article 5 hereof) paid for or with respect to the Equipment pursuant to the Lease and (b) any and all payments or proceeds received by the Company for or with respect to the Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition, and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) as are indefeasibly received by the Company and as shall equal the portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the Payment Date or the interest payment date next succeeding the date such amounts received by the Company were required to be paid to it pursuant to the Lease; it being understood that "income and proceeds from the Equipment" shall in no event include amounts referred to in the foregoing clauses (a) and (b) which were received by the Company prior to the existence of such an event of default which exceeded the amounts required to pay that portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the Payment Date or the interest payment date next succeeding the date on which amounts with respect thereto received by the Company were required to be paid to it pursuant to the Lease. Nothing contained herein shall constitute an assignment of, or lien, charge or encumbrance against, the "income and proceeds from the Equipment" or any right, title or interest of the Company under or arising out of the Lease, or of or against any payments received or to be received by the Company under or in connection with the Lease. It is further specifically understood and agreed that nothing contained herein limiting the liability of the Company shall derogate from the right of the Vendor to

proceed against the Equipment or the Guarantor as provided for herein for the full unpaid Purchase Price of the Equipment and interest thereon. The Vendor agrees, however, that in the event it shall obtain a judgment against the Company for an amount in excess of the amounts payable by the Company pursuant to the limitations set forth in this paragraph, it will, accordingly, limit its execution of such judgment to such amount.

ARTICLE 4. *Title to the Equipment.* The Vendor shall and hereby does retain the full legal title to and property in the Equipment until the Company shall have made all the payments provided for hereunder and shall have kept and performed all its agreements herein contained, notwithstanding the delivery of the Equipment to and the possession and use thereof by the Company or the Guarantor as herein provided. Any and all additions to the Equipment and any and all replacements of the Equipment and of parts thereof shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement.

Except as otherwise specifically provided in Article 5 hereof, when and only when the Vendor shall have been paid the full amount of the Purchase Price of all the Equipment, together with interest and all other payments as herein provided, and all the Company's obligations herein contained shall have been performed, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Company without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Company, will execute appropriate instruments confirming such passage to the Company of title to and property in the Equipment free of all liens and encumbrances created or retained hereby and deliver such

instruments to the Company at its address specified in Article 23 hereof, and will execute in the same manner and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Company to the Equipment, and will pay to the Company any money paid to the Vendor pursuant to Article 5 hereof and not theretofore applied as therein provided.

The Company hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such instruments or to file such certificate within a reasonable time after written demand of the Company.

ARTICLE 5. *Casualty Occurrences.* In the event that any unit of the Equipment shall be or become worn out, lost, stolen, destroyed or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being herein called Casualty Occurrences), the Company shall, within 30 days after it shall have determined that such unit has suffered a Casualty Occurrence (or as of such earlier date as the Company may receive notice thereof under the Lease), fully inform the Vendor in regard thereto. On the next succeeding February 1 or August 1, after February 1, 1971, whichever is the earlier, the Company shall pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined) of such unit suffering a Casualty Occurrence as of the date of such payment and shall file with the Vendor a certificate setting forth

Equipment or such part thereof as may be assigned, together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, set-off, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Manufacturer with respect to the Equipment or the delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, set-off, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Company or the Guarantor by the Manufacturer. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Company or the Guarantor, as the case may be, against and only against the Manufacturer.

In the event of any such assignment or successive assignments by the Vendor of title to the Equipment and of the Vendor's rights hereunder with respect thereto, the Company will, whenever requested by such assignee, replace the words marked on each side of each unit of the Equipment to indicate the title of an assignee to the Equipment with such words as shall be specified by such assignee, subject to the requirements of the laws of the jurisdictions in which the Equipment shall be operated relating to such words for use on equipment covered by conditional sale agreements with respect to railroad equipment. The cost of marking such words with respect to the first assignee of this Agreement shall be borne by the Manufacturer. The cost of marking such words with respect to a successor agent in case the first assignee is an agent shall be borne by the Guarantor. The cost of marking such words in connection with any subsequent assignment (other than to a successor agent if the first assignee is an agent) will be borne by the subsequent assignee.

The Company and the Guarantor will, in connection with settlement for any Group of the Equipment, deliver to the

Assignee, at the time of delivery by the Guarantor of notice fixing the Closing Date with respect to such Group, all documents required by the terms of the Assignment to be delivered to the Assignee in connection with such settlement, in such number of counterparts as may reasonably be requested, except for any opinion of counsel for the Assignee.

If the Manufacturer shall not receive on the Closing Date with respect to a Group of the Equipment the aggregate Purchase Price in respect of such Group, the Manufacturer will promptly notify the Company and the Guarantor of such event and, if such amount shall not have been previously paid, such Group of the Equipment shall be excluded from this Agreement and the Guarantor will, not later than 90 days after such Closing Date, purchase such Group from the Manufacturer for cash, together with interest thereon from such Closing Date to the date of payment by the Guarantor at the average prime rate of interest of the five largest New York City banks in effect at 11:00 a.m., New York time, on such Closing Date.

ARTICLE 17. *Defaults.* In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) The Company shall fail to pay in full any sum payable by the Company when payment thereof shall be due hereunder and such default shall continue for six days; or

(b) The Company or the Guarantor shall, for more than 30 days after the Vendor shall have demanded in writing performance thereof, fail or refuse to comply with any covenant, agreement, term or provision of this Agreement on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) Any proceeding shall be commenced by or against the Company or the Guarantor for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the indebtedness payable hereunder) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Company or the Guarantor, as the case may be, under this Agreement shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Company or the Guarantor or for the property of the Company or the Guarantor in connection with any such proceedings or in such manner that such obligations have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(d) A petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may be hereafter amended, shall be filed by or against the Guarantor and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only as long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Guarantor under this Agreement shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations

incurred by such trustee or trustee, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

(e) The Company shall make or suffer any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment; or

(f) An event of default shall occur under one or more of the Other Agreement;

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Company and the Guarantor and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) subject to the rights of the Lessee referred to in Article 12 hereof, cause the Lease immediately upon such notice to terminate (and the Company and the Guarantor each acknowledge the right of the Vendor to terminate the Lease) and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid Purchase Price of the Equipment, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such Purchase Price and such interest shall bear interest from the date of such declaration at the rate of 11% per annum and the Vendor shall thereupon be entitled to recover judgment for the entire unpaid balance of the Purchase Price of the Equipment so payable, with interest as aforesaid, and to collect such judgment out of any property of the Company (subject to the provisions of the last paragraph of Article 3 hereof) or the Guarantor wherever situated. The Company or the Guarantor, as the case may be, shall promptly notify the Vendor in writing of any event which has come to its

attention which constitutes, or would constitute but for the giving of notice and/or lapse of time, an event of default under this Agreement.

The Vendor may waive any such event of default and its consequences and rescind any Declaration of Default or notice of termination of the Lease by notice to the Company and the Guarantor in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such default had existed and no Declaration of Default or notice of termination of the Lease had been made. Notwithstanding the provision of this paragraph, it is expressly understood and agreed by the Company and the Guarantor that time is of the essence of this Agreement and that no such waiver or rescission shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 18. *Remedies.* At any time during a Declaration of Default, the Vendor may, upon such further notice, if any, as may be required for compliance with any mandatory requirements of law then in force and applicable to the action to be taken by the Vendor (subject to the rights of the Lessee under the Lease referred to in Article 12 hereof) take, or cause to be taken by its agent or agents, immediate possession of the Equipment, or any unit thereof, without liability to return to the Company or the Guarantor any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 18 expressly provided, and may remove the same from possession and use of the Company or anyone having such possession and use and for such purpose may enter upon the premises of the Company or the Guarantor or where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Company or the Guarantor, with or without process of law.

In case the Vendor shall rightfully demand possession of the Equipment in pursuance of this Agreement and shall reasonably designate a point or points upon the lines of the Guarantor for the delivery of the Equipment to the Vendor, the Guarantor shall, at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points as shall be reasonably designated by the Vendor and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines of railroad or premises of the Guarantor until the Vendor shall have leased, sold or otherwise disposed of the same. For such purpose the Guarantor agrees to furnish without charge for rent or storage, the necessary facilities at any reasonably convenient point or points selected by the Vendor. This agreement to deliver the Equipment as hereinbefore provided is of the essence of this Agreement between the parties, and upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Company and/or the Guarantor requiring specific performance hereof; *provided, however*, that if the Guarantor is in possession of the Equipment, the Vendor shall be entitled to such a decree only against the Guarantor. The Company and the Guarantor hereby expressly waive any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 18 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment together with interest thereon accrued and unpaid

and all other payments due under this Agreement and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Company and the Guarantor by telegram or registered mail, addressed as provided in Article 23 hereof, and to any other persons to whom the law may require notice within 30 days after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable. In the event that the Vendor should elect to retain the Equipment, and no objection is made thereto within the 30-day period described in the second proviso below, all rights of the Company in the Equipment will thereupon terminate and all payments made by the Company or the Guarantor may be retained by the Vendor as compensation for the use of the Equipment; *provided, however*, that if the Company, before the expiration of the 30-day period described in the proviso below should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Company; and *provided, further, however*, that if the Company or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law.

At any time during the continuance of a Declaration of Default, the Vendor with or without the retaking of possession thereof, at its election and upon reasonable notice to the

Company, the Guarantor and any other persons to whom the law may require notice of the time and place, may sell the Equipment, or any unit thereof, free from any and all claims of the Company, or of any other party (including the Guarantor) claiming by, through or under the Company, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if prior to such sale or prior to the making of a contract for such sale, the Company should tender full payment of the entire indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking, holding and preparing the Equipment for disposition and arrangement for the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Company. The proceeds of such sale, or of any lease or other disposition of the Equipment as provided hereunder, less the attorney's fees and any other expenses incurred by the Vendor in taking possession of, removing, storing and so disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at such place or places and at such time or times as the Vendor may specify, in one lot and as an entirety or in separate lots, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine; *provided, however*, that the Company and the Guarantor shall be given written notice of such sale as provided hereinabove. If such sale shall be a private sale it shall be subject to the right of the Company and the Guarantor to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same

price offered by the intending purchaser or a better price. The Vendor may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale without accountability to the Company or the Guarantor (except to the extent of surplus money received as hereinafter provided in this Article 18), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor from the Company hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor, except as such exercise may expressly be limited herein. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others, except as such exercise may expressly be limited herein. No delay, except where time limits are expressly herein provided, or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein.

All sums of money realized by the Vendor under the remedies herein provided shall be applied, *first* to the payment of the expenses and liabilities of the Vendor herein undertaken to be paid, *second* to the payment of interest on the unpaid Purchase Price of the Equipment accrued and unpaid and *third* to the payment of the unpaid Purchase Price of the Equipment. If, after applying as aforesaid all sums of money realized by the Vendor, there shall remain any amount due to it under the provisions of this Agree-

ment, the Company, subject to the provisions of the last paragraph of Article 3 hereof, shall pay the amount of such deficiency to the Vendor upon demand, and, if the Company shall fail to pay the full deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Company, subject to the provisions of the last paragraph of Article 3 hereof, and the Guarantor. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Company or, if the Guarantor shall be entitled thereto pursuant to the last paragraph of Article 6 hereof, the Guarantor.

The Company, subject to the provisions of the last paragraph of Article 3 hereof, will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover, subject to the provisions of the last paragraph of Article 3 hereof, reasonable expenses, including attorneys' fees and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 18 are subject in all respects to all mandatory requirements of law at the time in force and applicable thereto.

ARTICLE 19. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any state shall as to such state be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any applicable state law may be waived, they are hereby waived by the Company and the Guarantor to the full extent permitted by law, to the end that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Company and the Guarantor, to the full extent permitted by law, hereby waive all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell the Equipment, or any unit thereof, and any other requirements as to the time, place and terms of sale thereof, any other requirements with respect to the enforcement of the Vendor's rights hereunder and any and all rights of redemption.

ARTICLE 20. *Extension not a Waiver.* Any extension of time for payment hereunder or other indulgences duly granted to the Company shall not otherwise alter or affect the Vendor's rights or the obligations of the Company or the Guarantor hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Company's or the Guarantor's obligations or the Vendor's rights hereunder with respect to any subsequent payments or defaults therein.

ARTICLE 21. *Recording.* The Company and the Guarantor will cause this Agreement, the first assignment hereof and any supplements hereto and thereto, in each case at the expense of the Guarantor, to be filed, recorded or deposited and refiled, re-recorded or redeposited with the Interstate Commerce Commission and otherwise as may be required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Company and the Guarantor will promptly furnish to the Vendor evidences of such filing, recording or deposit, and an opinion or opinions of counsel with respect thereto, satisfactory to the Vendor. This Agreement and the Lease shall be filed and recorded with the Interstate Commerce Commission prior to the

delivery by the Manufacturer in accordance with the schedule set forth in Annex B hereto and prior to acceptance of any unit of the Equipment by the Company.

ARTICLE 22. *Payment of Expenses.* The Guarantor will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Manufacturer and the Company) incident to the preparation, printing and execution of this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), or any instrument supplemental hereto or thereto, including all fees and expenses of special counsel for the first assignee of this Agreement and for any party acquiring interests in such first assignment, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment. For the purposes of this Article 22, if the first assignee is an agent, then any successor thereto shall be considered the first assignee.

ARTICLE 23. *Notice.* Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it at its chief place of business at the following specified addresses:

(a) to the Company, at 650 Madison Avenue, New York, N. Y. 10022, *attention of* the President,

(b) to the Guarantor, at Office of Secretary, Reading Terminal, 12th and Market Streets, Philadelphia, Pennsylvania 19107,

(c) to the Manufacturer, at the address specified in Item 2 of Annex A hereto,

(d) to any assignee of the Vendor, or of the Company, at such address as may have been furnished in writing to the Company, or the Vendor, as the case may be, and to the Guarantor, by such assignee,

Equipment or such part thereof as may be assigned, together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, set-off, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Manufacturer with respect to the Equipment or the delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, set-off, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Company or the Guarantor by the Manufacturer. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Company or the Guarantor, as the case may be, against and only against the Manufacturer.

In the event of any such assignment or successive assignments by the Vendor of title to the Equipment and of the Vendor's rights hereunder with respect thereto, the Company will, whenever requested by such assignee, replace the words marked on each side of each unit of the Equipment to indicate the title of an assignee to the Equipment with such words as shall be specified by such assignee, subject to the requirements of the laws of the jurisdictions in which the Equipment shall be operated relating to such words for use on equipment covered by conditional sale agreements with respect to railroad equipment. The cost of marking such words with respect to the first assignee of this Agreement shall be borne by the Manufacturer. The cost of marking such words with respect to a successor agent in case the first assignee is an agent shall be borne by the Guarantor. The cost of marking such words in connection with any subsequent assignment (other than to a successor agent if the first assignee is an agent) will be borne by the subsequent assignee.

The Company and the Guarantor will, in connection with settlement for any Group of the Equipment, deliver to the

Assignee, at the time of delivery by the Guarantor of notice fixing the Closing Date with respect to such Group, all documents required by the terms of the Assignment to be delivered to the Assignee in connection with such settlement, in such number of counterparts as may reasonably be requested, except for any opinion of counsel for the Assignee.

If the Manufacturer shall not receive on the Closing Date with respect to a Group of the Equipment the aggregate Purchase Price in respect of such Group, the Manufacturer will promptly notify the Company and the Guarantor of such event and, if such amount shall not have been previously paid, such Group of the Equipment shall be excluded from this Agreement and the Guarantor will, not later than 90 days after such Closing Date, purchase such Group from the Manufacturer for cash, together with interest thereon from such Closing Date to the date of payment by the Guarantor at the average prime rate of interest of the five largest New York City banks in effect at 11:00 a.m., New York time, on such Closing Date.

ARTICLE 17. *Defaults.* In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) The Company shall fail to pay in full any sum payable by the Company when payment thereof shall be due hereunder and such default shall continue for six days; or

(b) The Company or the Guarantor shall, for more than 30 days after the Vendor shall have demanded in writing performance thereof, fail or refuse to comply with any covenant, agreement, term or provision of this Agreement on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) Any proceeding shall be commenced by or against the Company or the Guarantor for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the indebtedness payable hereunder) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Company or the Guarantor, as the case may be, under this Agreement shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Company or the Guarantor or for the property of the Company or the Guarantor in connection with any such proceedings or in such manner that such obligations have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(d) A petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may be hereafter amended, shall be filed by or against the Guarantor and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only as long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Guarantor under this Agreement shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations

incurred by such trustee or trustee, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

(e) The Company shall make or suffer any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment; or

(f) An event of default shall occur under one or more of the Other Agreement;

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Company and the Guarantor and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) subject to the rights of the Lessee referred to in Article 12 hereof, cause the Lease immediately upon such notice to terminate (and the Company and the Guarantor each acknowledge the right of the Vendor to terminate the Lease) and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid Purchase Price of the Equipment, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such Purchase Price and such interest shall bear interest from the date of such declaration at the rate of 11% per annum and the Vendor shall thereupon be entitled to recover judgment for the entire unpaid balance of the Purchase Price of the Equipment so payable, with interest as aforesaid, and to collect such judgment out of any property of the Company (subject to the provisions of the last paragraph of Article 3 hereof) or the Guarantor wherever situated. The Company or the Guarantor, as the case may be, shall promptly notify the Vendor in writing of any event which has come to its

attention which constitutes, or would constitute but for the giving of notice and/or lapse of time, an event of default under this Agreement.

The Vendor may waive any such event of default and its consequences and rescind any Declaration of Default or notice of termination of the Lease by notice to the Company and the Guarantor in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such default had existed and no Declaration of Default or notice of termination of the Lease had been made. Notwithstanding the provision of this paragraph, it is expressly understood and agreed by the Company and the Guarantor that time is of the essence of this Agreement and that no such waiver or rescission shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 18. *Remedies.* At any time during a Declaration of Default, the Vendor may, upon such further notice, if any, as may be required for compliance with any mandatory requirements of law then in force and applicable to the action to be taken by the Vendor (subject to the rights of the Lessee under the Lease referred to in Article 12 hereof) take, or cause to be taken by its agent or agents, immediate possession of the Equipment, or any unit thereof, without liability to return to the Company or the Guarantor any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 18 expressly provided, and may remove the same from possession and use of the Company or anyone having such possession and use and for such purpose may enter upon the premises of the Company or the Guarantor or where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Company or the Guarantor, with or without process of law.

In case the Vendor shall rightfully demand possession of the Equipment in pursuance of this Agreement and shall reasonably designate a point or points upon the lines of the Guarantor for the delivery of the Equipment to the Vendor, the Guarantor shall, at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points as shall be reasonably designated by the Vendor and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines of railroad or premises of the Guarantor until the Vendor shall have leased, sold or otherwise disposed of the same. For such purpose the Guarantor agrees to furnish without charge for rent or storage, the necessary facilities at any reasonably convenient point or points selected by the Vendor. This agreement to deliver the Equipment as hereinbefore provided is of the essence of this Agreement between the parties, and upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Company and/or the Guarantor requiring specific performance hereof; *provided, however*, that if the Guarantor is in possession of the Equipment, the Vendor shall be entitled to such a decree only against the Guarantor. The Company and the Guarantor hereby expressly waive any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 18 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment together with interest thereon accrued and unpaid

and all other payments due under this Agreement and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Company and the Guarantor by telegram or registered mail, addressed as provided in Article 23 hereof, and to any other persons to whom the law may require notice within 30 days after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable. In the event that the Vendor should elect to retain the Equipment, and no objection is made thereto within the 30-day period described in the second proviso below, all rights of the Company in the Equipment will thereupon terminate and all payments made by the Company or the Guarantor may be retained by the Vendor as compensation for the use of the Equipment; *provided, however*, that if the Company, before the expiration of the 30-day period described in the proviso below should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Company; and *provided, further, however*, that if the Company or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law.

At any time during the continuance of a Declaration of Default, the Vendor with or without the retaking of possession thereof, at its election and upon reasonable notice to the

Company, the Guarantor and any other persons to whom the law may require notice of the time and place, may sell the Equipment, or any unit thereof, free from any and all claims of the Company, or of any other party (including the Guarantor) claiming by, through or under the Company, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if prior to such sale or prior to the making of a contract for such sale, the Company should tender full payment of the entire indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking, holding and preparing the Equipment for disposition and arrangement for the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Company. The proceeds of such sale, or of any lease or other disposition of the Equipment as provided hereunder, less the attorney's fees and any other expenses incurred by the Vendor in taking possession of, removing, storing and so disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at such place or places and at such time or times as the Vendor may specify, in one lot and as an entirety or in separate lots, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine; *provided, however*, that the Company and the Guarantor shall be given written notice of such sale as provided hereinabove. If such sale shall be a private sale it shall be subject to the right of the Company and the Guarantor to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same

price offered by the intending purchaser or a better price. The Vendor may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale without accountability to the Company or the Guarantor (except to the extent of surplus money received as hereinafter provided in this Article 18), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor from the Company hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor, except as such exercise may expressly be limited herein. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others, except as such exercise may expressly be limited herein. No delay, except where time limits are expressly herein provided, or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein.

All sums of money realized by the Vendor under the remedies herein provided shall be applied, *first* to the payment of the expenses and liabilities of the Vendor herein undertaken to be paid, *second* to the payment of interest on the unpaid Purchase Price of the Equipment accrued and unpaid and *third* to the payment of the unpaid Purchase Price of the Equipment. If, after applying as aforesaid all sums of money realized by the Vendor, there shall remain any amount due to it under the provisions of this Agree-

ment, the Company, subject to the provisions of the last paragraph of Article 3 hereof, shall pay the amount of such deficiency to the Vendor upon demand, and, if the Company shall fail to pay the full deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Company, subject to the provisions of the last paragraph of Article 3 hereof, and the Guarantor. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Company or, if the Guarantor shall be entitled thereto pursuant to the last paragraph of Article 6 hereof, the Guarantor.

The Company, subject to the provisions of the last paragraph of Article 3 hereof, will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover, subject to the provisions of the last paragraph of Article 3 hereof, reasonable expenses, including attorneys' fees and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 18 are subject in all respects to all mandatory requirements of law at the time in force and applicable thereto.

ARTICLE 19. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any state shall as to such state be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any applicable state law may be waived, they are hereby waived by the Company and the Guarantor to the full extent permitted by law, to the end that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Company and the Guarantor, to the full extent permitted by law, hereby waive all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell the Equipment, or any unit thereof, and any other requirements as to the time, place and terms of sale thereof, any other requirements with respect to the enforcement of the Vendor's rights hereunder and any and all rights of redemption.

ARTICLE 20. *Extension not a Waiver.* Any extension of time for payment hereunder or other indulgences duly granted to the Company shall not otherwise alter or affect the Vendor's rights or the obligations of the Company or the Guarantor hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Company's or the Guarantor's obligations or the Vendor's rights hereunder with respect to any subsequent payments or defaults therein.

ARTICLE 21. *Recording.* The Company and the Guarantor will cause this Agreement, the first assignment hereof and any supplements hereto and thereto, in each case at the expense of the Guarantor, to be filed, recorded or deposited and refiled, re-recorded or redeposited with the Interstate Commerce Commission and otherwise as may be required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Company and the Guarantor will promptly furnish to the Vendor evidences of such filing, recording or deposit, and an opinion or opinions of counsel with respect thereto, satisfactory to the Vendor. This Agreement and the Lease shall be filed and recorded with the Interstate Commerce Commission prior to the

delivery by the Manufacturer in accordance with the schedule set forth in Annex B hereto and prior to acceptance of any unit of the Equipment by the Company.

ARTICLE 22. *Payment of Expenses.* The Guarantor will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Manufacturer and the Company) incident to the preparation, printing and execution of this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), or any instrument supplemental hereto or thereto, including all fees and expenses of special counsel for the first assignee of this Agreement and for any party acquiring interests in such first assignment, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment. For the purposes of this Article 22, if the first assignee is an agent, then any successor thereto shall be considered the first assignee.

ARTICLE 23. *Notice.* Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it at its chief place of business at the following specified addresses:

(a) to the Company, at 650 Madison Avenue, New York, N. Y. 10022, *attention of* the President,

(b) to the Guarantor, at Office of Secretary, Reading Terminal, 12th and Market Streets, Philadelphia, Pennsylvania 19107,

(c) to the Manufacturer, at the address specified in Item 2 of Annex A hereto,

(d) to any assignee of the Vendor, or of the Company, at such address as may have been furnished in writing to the Company, or the Vendor, as the case may be, and to the Guarantor, by such assignee,

or at such other address as may have been furnished in writing by such party to the other parties to this Agreement. The Company represents and warrants that its chief place of business is in the State of New York.

ARTICLE 24. *Satisfaction of Undertakings.* The obligations of the Company under Articles 7, 8, 9, 10, 11, 13, 14 and 21 hereunder shall be deemed in all respects satisfied by the Lessee's undertakings contained in §§ 4, 5, 7, 8, 11 and 16 of the Lease. The Guarantor shall be liable in respect of its guaranty hereunder for such obligations under said Articles whether or not the Lease is in effect. The Company shall not have any responsibility for the Lessee's failure to perform such undertakings, but if the same shall not be performed they may constitute the basis for an event of default hereunder pursuant to Article 17.

ARTICLE 25. *Effect and Modification of Agreement.* This Agreement, and the annexes relating hereto and the Other Agreements, exclusively and completely state the rights and agreements of the Vendor, the Company and the Guarantor with respect to the Equipment and supersede all other agreements, oral or written, with respect to the Equipment. No variation of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and duly executed on behalf of the Vendor, the Company and the Guarantor.

ARTICLE 26. *Law Governing.* The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the State of New York; *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or deposit hereof and of any assignment hereof, as shall be

conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 27. *Definitions.* The term "Vendor", whenever used in this Agreement, means, before any assignment of any of its rights hereunder, the corporation named in Item 1 of Annex A hereto and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor or assignors as regards any rights hereunder that are retained or excluded from any assignment; and the term "Manufacturer", whenever used in this Agreement, means, both before and after any such assignment, the corporation named in Item 1 of Annex A hereto and any successor or successors for the time being to its manufacturing properties and business.

ARTICLE 28. *Execution.* This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same contract, which shall be sufficiently evidenced by any such original counterpart. Although this Agreement is dated as of June 1, 1970 for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by their duly authorized officers or officials, and their respective

corporate seals to be hereunto affixed and duly attested, all
as of the date first above written.

ANNEX A—RAMCO

Item 1: International RAMCO, Inc., an Illinois corporation.

Item 2: P. O. Box 73, Buffalo, New York 14223.

Item 3: The Manufacturer warrants that the Equipment will be built in accordance with the Specifications and the standards and requirements set forth in Article 1 of the Conditional Sale Agreement to which this Annex A is attached (hereinafter called the Agreement) and warrants the Equipment will be free from defects in material (except as to specialties incorporated therein which were specified or supplied by the Company or the Guarantor and not manufactured by the Manufacturer) and workmanship and design under normal use and service, the Manufacturer's obligations under this warranty being limited to making good at its plant any part or parts of any unit of the Equipment which shall, within one year after delivery of such units to the Company, be returned to the Manufacturer, with transportation charges prepaid and which the Manufacturer's examination shall disclose to its satisfaction to have been thus defective.

The foregoing warranty is expressly in lieu of all other warranties, express or implied, including any implied warranty of merchantability or fitness for a particular purpose, and of all other obligations or liabilities on the part of the Manufacturer, except for its obligations under Articles 1, 2, 3 and 15 of the Agreement, and the Manufacturer neither assumes nor authorizes any person to

assume for it any other liability in connection with the construction and delivery of the Equipment, except as aforesaid.

The Manufacturer further agrees with the Company and the Guarantor that neither the inspection as provided in Article 2 of the Agreement, nor any examination, nor the acceptance of any units of the Equipment as provided in said Article 2 shall be deemed a waiver or a modification by the Company of any of its rights under this Item 3.

- Item 4: The two Conditional Sale Agreements dated as of June 1, 1970, among the Company, the Guarantor and Rydal Equipment Co. and United States Railway Equipment Co., respectively.

ANNEX B—RAMCO

Type	Manufacturer's Specifications	Manufacturer's Plant	Quantity	Lessee's Road Numbers (inclusive)	Unit Base Price	Total Base Price	Time and Place of Delivery
Cabooses	No. 385	Kenton, Ohio	10	94100 to 94109	\$26,265.41	\$262,654.10	August and September, 1970 at Reading, Pennsylvania

ANNEX C

LEASE OF RAILROAD EQUIPMENT

by and between

C. I. T. CORPORATION

and

READING COMPANY

Dated as of June 1, 1970

**[Covering 100 Covered Hopper Cars, 50 Flat Cars
and 10 Cabooses]**

LEASE OF RAILROAD EQUIPMENT, dated as of June 1, 1970, between C. I. T. CORPORATION, a New York corporation (hereinafter called the Lessor), acting herein through its agent C. I. T. LEASING CORPORATION, a Delaware corporation, and READING COMPANY, a Pennsylvania corporation (hereinafter called the Lessee).

WHEREAS, the Lessor and the Lessee are entering into three Conditional Sale Agreements each dated as of June 1, 1970 (hereinafter individually called a Conditional Sale Agreement and together called the Conditional Sale Agreements), with RYDAL EQUIPMENT CO., UNITED STATES RAILWAY EQUIPMENT COMPANY and INTERNATIONAL CAR CO., DIVISION OF INTERNATIONAL RAMCO, Inc., respectively (hereinafter individually called a Manufacturer and together the Manufacturers), wherein the Manufacturers have agreed to manufacture, sell and deliver to the Lessor the railroad equipment described in Schedule A hereto;

WHEREAS, the Manufacturers have assigned or will assign their respective interests in the Conditional Sale Agreements to THE FIRST PENNSYLVANIA BANKING AND TRUST COMPANY, as Agent (hereinafter, together with its successors and assigns, referred to as the Vendor); and

WHEREAS, the Lessee desires to lease all the units of said equipment, or such lesser number as are delivered and accepted and settled for under the Conditional Sale Agreements on or prior to December 31, 1970 (hereinafter called the Units), at the rentals and for the terms and upon the conditions hereinafter provided;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter men-

tioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but, upon default of the Lessee hereunder or under a Conditional Sale Agreement, subject to all the rights and remedies of the Vendor under such Conditional Sale Agreement:

§ 1. *Delivery and Acceptance of Units.* The Lessor will cause each Unit to be tendered to the Lessee at the point or points within the United States of America at which and on the date or dates on which such Unit is delivered to the Lessor under the appropriate Conditional Sale Agreement. Upon such tender, the Lessee will cause an authorized representative of the Lessee to inspect the same, and if such Unit is found to be in good order, to accept delivery of such Unit and execute and deliver to the Lessor and to the appropriate Manufacturer a certificate of acceptance and delivery (hereinafter called the Certificate of Delivery), whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

§ 2. *Rentals.* The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease 30 consecutive semiannual payments, payable on the business day next preceding February 1 and August 1 in each year commencing with the business day next preceding February 1, 1971. The first such semiannual payment shall be in an amount equal to .02538% of the Purchase Price (as such term is defined in the Conditional Sale Agreement pursuant to which such Unit is being acquired by the Lessor) of each Unit subject to this Lease for each day elapsed from and including the date such Unit is settled for under the appropriate Conditional Sale Agreement to February 1, 1971;

the next nine such semiannual payments shall each be in an amount equal to 4.56875% of the Purchase Price of each such Unit; and the last 20 such semiannual payments shall each be in an amount equal to 7.03916% of the Purchase Price of each such Unit.

The Lessor hereby agrees to pay to the Vendor the payments required to be paid by it under Article 3 of the Conditional Sale Agreements subject to the conditions precedent and limitations set forth therein and to apply the "income and proceeds from the Equipment" (as that phrase is defined in the Conditional Sale Agreements) received by it hereunder toward the satisfaction of its obligations under the Conditional Sale Agreements.

All payments provided for in this Lease to be made to the Lessor shall be made to the Lessor in immediately available funds in New York City by depositing such funds to the credit of C. I. T. Corporation, Chemical Bank, Madison Avenue and 59th Street Branch, New York, New York 10022, special account number 116-013117, or at such other place as the Lessor shall specify in writing.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due to, or by reason of, any past, present or future claims of the Lessee against the Lessor under this Lease or the Manufacturers or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to, or loss of possession or loss of use of, or destruction of, all or any of the Units from whatsoever cause, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due

authorization of this Lease, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease.

§ 3. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of § § 6, 9 and 12 hereof, shall terminate on the date on which the final semiannual payment of rent in respect thereof is due hereunder.

Notwithstanding anything to the contrary contained herein, all rights and obligations under this Lease and in and to the Units, upon default by the Lessee hereunder, or under a Conditional Sale Agreement, are subject to the rights of the Vendor under the Conditional Sale Agreements. If an event of default should occur under a Conditional Sale Agreement, the Vendor may terminate this Lease (or rescind its termination), all as provided therein, unless the Lessee is not in default under this Lease or under a Conditional Sale Agreement. If a Declaration of Default (as defined in the Conditional Sale Agreements) should be made under a Conditional Sale Agreement due to an event of default not occasioned by an act or omission of the Lessee hereunder or not attributable to the Lessee under such Conditional Sale Agreement, and if such Declaration of Default shall not have been rescinded by the Vendor within 30 days of the making thereof, or if the Vendor theretofore has indicated either in writing to the Lessor or the Lessee or by the commencement of the remedies specified under Article 18 of such Conditional Sale Agreement that it will not

rescind such Declaration of Default, the Lessee, without penalty, may terminate this Lease.

§ 4. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Annex B to the appropriate Conditional Sale Agreement and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of such Unit, in letters not less than one inch in height, the following words:

"THE FIRST PENNSYLVANIA BANKING AND TRUST
COMPANY, AGENT-OWNER"

or other appropriate words designated by the Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title of the Lessor or the Vendor to such Unit and the rights of the Lessor under this Lease and of the Vendor under the Conditional Sale Agreements. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace promptly any such words which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Unit except in accordance with a statement of new identifying numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and the Lessor by the Lessee and filed, recorded or deposited in all public offices where the Conditional Sale Agreements and this Lease shall have been filed, recorded or deposited.

Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on the Units as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Lessee may

cause the Units to be lettered with the names, initials or insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

§ 5. *Taxes.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state or federal, Canadian (Dominion or Provincial) or Mexican taxes (other than any federal, Canadian [Dominion or Provincial] or Mexican income tax [to the extent that the Lessor receives credit therefor against its United States federal income tax liability] payable by the Lessor in consequence of the receipt of payments provided for herein and other than the aggregate of all state or city income taxes or franchise taxes measured by net income based on such receipts, up to the amount of any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided), assessments or license fees and any charges, fines or penalties in connection therewith (hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Conditional Sale Agreements, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom

or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; *provided, however*, that the Lessee shall be under no obligation to pay any impositions so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or under the Conditional Sale Agreements. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Manufacturer or the Vendor pursuant to Article 10 of the Conditional Sale Agreements not covered by the foregoing paragraph of this § 5, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said Article 10.

In the event any reports with respect to impositions are required to be made, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Vendor in such Units or notify the Lessor and the Vendor of such requirement and make such reports in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any impositions, pursuant to this § 5, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

§ 6. *Payment for Casualty Occurrences.* In the event that any Unit shall be or become worn out, lost, stolen, destroyed or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being hereinafter called Casualty Occurrences) during the term of this Lease or any extended term thereof, the Lessee shall, promptly after it shall have been determined that such Unit had suffered a Casualty Occurrence, fully notify the Lessor and the Vendor with respect thereto. On the rental payment date next succeeding such notice the Lessee shall pay to the Lessor an amount equal to the accrued rental for such Unit to the date of such payment plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit. In the event of the complete destruction of such Unit, the Lessee shall also pay the Lessor the salvage value of such Unit which will be based upon its net scrap value computed at the current quoted price per gross ton of number 1 railroad heavy melting steel scrap at Pittsburgh, Pennsylvania, on the date of the Casualty Occurrence, less an allowance of \$4.50 per gross ton for dismantling such Unit. Upon such payment of the salvage value for such Unit, the title to such Unit shall pass to and vest in the Lessee.

The Casualty Value of each Unit as of any rental payment date shall be that percentage of the Purchase Price

of such Unit as is set forth in the following schedule opposite the number of such rental payment date:

<u>Payment No.</u>	<u>Percentage</u>	<u>Payment No.</u>	<u>Percentage</u>
1	103%	16	86%
2	103	17	78
3	105	18	78
4	105	19	70
5	106	20	70
6	106	21	61
7	106	22	61
8	106	23	50
9	105	24	50
10	105	25	40
11	100	26	40
12	100	27	30
13	93	28	30
14	93	29	20
15	86	30 and thereafter	20

Except as hereinabove in this § 6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

§ 7. *Annual Reports.* On or before March 1, in each year, commencing with the year 1971, the Lessee will cause to be furnished to the Lessor and the Vendor, in such number of counterparts as the Lessor or Vendor may request, an accurate statement, as of the preceding January 1, (a) showing the amount, description and numbers of the Units then leased hereunder and covered by the Conditional Sale Agreements, the amount, description and numbers of all Units that may have suffered a Casualty Occurrence during the preceding 12 months or since the date of this Lease in the case of the first such statement) and such other information regarding the condition and state of repair of the Units

as the Lessor or the Vendor may reasonably request, and (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the markings required by § 4 hereof and Article 9 of the Conditional Sale Agreements shall have been preserved or replaced. The Lessor shall have the right at its sole cost, risk and expense, by its authorized representatives, to inspect the Units and the Lessee's records with respect thereto, at such times as shall reasonably be necessary to confirm to the Lessor the existence and proper maintenance of the Units during the continuance of this Lease.

§ 8. *Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; and Indemnification.* **The Lessor makes no warranty or representation, either express or implied, as to the design or condition of, or as to the quality of the material, equipment or workmanship in, the Units delivered to the Lessee hereunder, and the Lessor makes no warranty of merchantability or fitness of the Units for any particular purpose or as to title to the Units or any component thereof,** it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have, as vendee, under the provisions of Articles 14 and 15 and Item 3 of Annex A of the Conditional Sale Agreements. The Lessee's acceptance of delivery of the Units shall be conclusive evidence as between the Lessee and the Lessor that all Units described in the Certificate of Delivery are in all the foregoing respects satisfactory to the Lessee and the Lessee will not assert any

claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects with all laws of the jurisdictions in which the Units may be operated, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units. In the event that such laws or rules require the alteration of the Units or in case any equipment or appliance on any such Unit shall be required to be changed or replaced, or in case any additional or other equipment or appliance is required to be installed on such Unit in order to comply with such laws, regulations, requirements and rules, the Lessee agrees to make such alterations, changes, additions and replacements at its own expense; and the Lessee agrees at its own expense to use, maintain and operate such Unit in full compliance with such laws, regulations, requirements and rules so long as it is subject to this Lease; *provided, however*, that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor hereunder or under the Conditional Sale Agreements.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease in good order and repair.

Any and all additions to any Unit and any and all parts installed on or replacements made to any Unit shall be considered accessions to such Unit and, at the cost and expense of the Lessee, full ownership thereof free of any lien, charge, security interest or encumbrance (except for those

created by the Conditional Sale Agreements) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in the Unit itself.

The Lessee agrees to indemnify and save harmless the Lessor and the Vendor against any charge or claim made against the Lessor or the Vendor, and against any expense, loss or liability (including but not limited to counsel fees and expenses, patent liabilities, penalties and interest) which the Lessor or the Vendor may incur in any manner by reason of entering into or the performance of the Conditional Sale Agreements or this Lease or by reason of the ownership of any Unit, or which may arise in any manner out of, or as the result of, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit under this Lease. The Lessee further agrees to indemnify and save harmless the Lessor and the Vendor against any charge, claim, expense, loss or liability on account of any accident in connection with the operation, use, condition, possession or storage of any Unit resulting in damage to property or injury to any person. The indemnities arising under this paragraph shall survive payment of all other obligations under this Lease or the termination of this Lease.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 9. *Default.* If, during the continuance of this Lease, one or more of the following events (hereinafter sometimes called Events of Default) shall occur:

A. default shall be made in the payment of any part of the rental provided in §§ 2 or 12 hereof and such default shall continue for five days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or of possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in any of the Conditional Sale Agreements and such default shall continue for 25 days after written notice from the Lessor to the Lessee specifying the default and demanding that the same be remedied;

D. any proceedings shall be commenced by or against the Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Conditional Sale Agreements) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and under the Conditional Sale Agreements shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such

appointment, if any, or 60 days after such proceeding shall have been commenced, whichever shall be earlier; or

E. a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Conditional Sale Agreements and this Lease shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and determine as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of the Units and thenceforth hold, possess and enjoy the same free

from any right of the Lessee, its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Unit, which represents the excess of (x) the present value, at the time of such termination, of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on a basis of a 8.247% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, (ii) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease other than for the payment of rental, and (iii) an amount which, after deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States of America or any political subdivision hereof, shall be equal to such sum as, in the reasonable

opinion of the Lessor, will cause the Lessor's net return under this Lease to be equal to the net return that would have been available to the Lessor if it had been entitled to utilization of all or such portion of the amortization deduction with respect to a Unit provided for in Section 184 of the Internal Revenue Code of 1954, as amended to the date hereof (hereinafter called the Rapid Amortization Deduction), available to non-railroad lessors of railroad equipment which was lost, not claimed, not available for claim or disallowed in respect of a Unit as a result of the termination of this Lease, the Lessee's loss of the right to use such Unit, any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 10. *Return of Units Upon Default.* If this Lease shall terminate pursuant to § 9 hereof, the Lessee shall

forthwith deliver possession of the Units to the Lessor. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

A. forthwith place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate,

B. permit the Lessor to store such Units on such tracks at the risk of the Lessee until such Units have been sold, leased or otherwise disposed of by the Lessor, and

C. transport the same to any place on the lines of railroad operated by it or any of its subsidiaries or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 10, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 11. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. Unless the Lessee otherwise consents, from and after any such assignment, all rentals and other payments made hereunder shall be paid by the Lessee to the account of the Lessor, care of The First Pennsylvania Banking and Trust Company (or to any assignee of said Bank made pursuant to Section 6 of the Agreement and Assignment between the Manufacturer and said Bank dated as of June 1, 1970, under which the Conditional Sale Agreement is being assigned to said Bank) with instructions to apply all such rentals and other payments forthwith to the satisfaction of the obligations of the Lessor under the Conditional Sale Agreements accrued at the time such payments are due hereunder and any balance shall be paid to the Lessor.

So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Conditional Sale Agreements, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them, except, however, for any rights in and to the Lessee's interest in this Lease which

may accrue to the Manufacturers Hanover Trust Company (hereinafter called the Mortgagee), as successor to the Central Union Trust Company as mortgagee under a Mortgage and Deed of Trust dated January 2, 1924, between the Lessee and the Mortgagee, as amended and supplemented. In addition, the Lessee, at its own expense, will promptly cause to be duly discharged any lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims against the Lessor or the Vendor not related to the ownership of the Units and other than the lien of the said Mortgage and Deed of Trust) which may at any time be imposed on or with respect to any Unit including any accession thereto or the interests of the Lessor, the Vendor or the Lessee therein. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph hereof.

So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession of the Units and to the use thereof upon its lines of railroad or upon lines of railroad over which the Lessee has trackage or other operating rights or over which railroad equipment of the Lessee is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other railroads in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease, including the last paragraph of this § 11, and the Conditional Sale Agreements. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 11 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possessions of the Units to

any railroad corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder and under the Conditional Sale Agreements) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety.

The Lessee agrees that during the term of this Lease, (i) it will not assign any Unit to service involving the regular operation and maintenance thereof outside the United States of America, (ii) any use of any Unit outside the United States of America will be limited to incidental and temporary use in Mexico and Canada, and (iii) it will not make or permit any use of a Unit which shall result in such Unit failing to qualify as "qualified railroad rolling stock" within the meaning of Section 184(d) of the Internal Revenue Code of 1954, as amended to the date hereof, or any regulations promulgated by the Internal Revenue Service thereunder.

§ 12. *Purchase and Renewal Options.* Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than six months prior to the end of the original term of this Lease or any extended term hereof, as the case may be, elect (a) to extend the term of this Lease in respect of all, but not fewer than all, of such Units then covered by this Lease, for three five-year periods commencing on the scheduled expiration of the original term of this Lease, provided that no such extended term shall extend beyond August 1, 2000, at a rental payable in 10 semi-annual payments, in an amount equal to the following percentages of the Purchase Price of such Unit: during the first five-year period, 3.020% ;

during the second five-year period, 2.011%; and during the final five-year period, 1.510%; such semiannual payments to be made on the business day next preceding February 1, and August 1 in each year of the applicable extended term and (b) to purchase all, but not fewer than all, of such Units then covered by this Lease at the end of the original or any extended term of this Lease for a purchase price equal to the "Fair Market Value" of such Units as of the end of such term.

Fair Market Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's length transaction between an informed and willing buyer-user (other than (i) a lessee currently in possession and (ii) a used equipment dealer) and an informed and willing seller under no compulsion to sell and, in such determination, costs of removal from the location of current use shall not be a deduction from such value. If on or before four months prior to the expiration of the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value of the Units, such value shall be determined in accordance with the foregoing definition by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. The expenses and fee of the Appraiser shall be borne by the Lessee.

§ 13. *Return of Units upon Expiration of Term.* As soon as practicable on or after the expiration of the term of this Lease with respect to any Unit, the Lessee will (unless the Unit is sold to the Lessee), at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may designate and permit the Lessor to store such Unit on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee or to any connecting carrier for shipment, all as directed by the Lessor; the movement and storage of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. If Lessor shall elect to abandon any Unit which has suffered a Casualty Occurrence or which after the expiration of this Lease the Lessor shall have deemed to have suffered a Casualty Occurrence, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless all liability arising in respect

of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill of sale or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of the Lease; *provided, however*, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to § 6 hereof to make payments equal to the Casualty Value of any Unit experiencing a Casualty Occurrence during the original or any extended term of this Lease.

§ 14. *Opinion of Counsel.* On each Closing Date (as defined in the Conditional Sale Agreements), the Lessee will deliver to the Lessor two counterparts of the written opinion of counsel for the Lessee, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor, the Vendor and their respective counsel, to the effect that:

A. the Lessee is a corporation legally incorporated, validly existing and in good standing under the laws of the Commonwealth of Pennsylvania, with adequate corporate power to enter into this Lease;

B. this Lease has been duly authorized, executed and delivered by the Lessee and constitutes a valid, legal and binding agreement of the Lessee, enforceable in accordance with its terms;

C. this Lease has been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and such filing and recordation will protect the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local

government is necessary in order to protect the interests of the Lessor in and to the Units;

D. no approval is required from any public regulatory body with respect to the entering into or performance of this Lease;

E. the entering into and performance of this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. neither the lien of the Mortgage and Deed of Trust dated January 2, 1924, referred to in § 11 hereof, nor any other mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Lessor's right, title and interest therein; *provided, however*, that such liens may attach to the rights of the Lessee hereunder in and to the Units.

§ 15. *Opinion of Tax Counsel.* On or before the first Closing Date occurring under each Conditional Sale Agreement, the Lessor, as a condition to its obligation to lease the units to the Lessee hereunder, shall have received counterparts of the written opinion of Messrs. Cravath, Swaine & Moore addressed to the Lessor to the effect that for federal income tax purposes and upon such review and on the basis of such understandings as such counsel deem necessary:

A. the Lessor will be considered the owner of the Units; and

B. the Lessor will be entitled to either (i) depreciation deductions with respect to the Units, com-

puted in accordance with any of the methods listed in Section 167(b) of the Internal Revenue Code of 1954, as amended to the date hereof, or (ii) amortization of the Units (provided that such Units retain their status as "qualified railroad rolling stock" within the meaning of the Internal Revenue Code of 1954, as amended to the date hereof), as provided for in said Section 184, whichever the Lessor elects.

§ 16. *Recording; Expenses.* The Lessee will cause this Lease, the Conditional Sale Agreements and any assignment thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing, recording and deposit and refiling, re-recording and redeposit required of the Lessor under Article 21 of the Conditional Sale Agreements and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, re-register, re-record or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Conditional Sale Agreements or any assignment thereof; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, recording or deposit, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Conditional Sale Agreements shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

The Lessee will pay the reasonable costs and expenses involved in the preparation and printing of this Lease. The

Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

§ 17. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an amount equal to 11% per annum of the overdue rentals for the period of time during which they are overdue.

§ 18. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States certified mails, first-class postage prepaid, addressed as follows:

if to the Lessor, at 650 Madison Avenue, New York, New York 10022, *attention of* the President;

if to the Lessee, at Office of Secretary, Reading Terminal, 12th and Market Streets, Philadelphia, Pennsylvania 10197;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 19. *Severability; Effect and Modification of Lease.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or enforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the Units and supersedes all other agreements, oral or written, with respect to the Units. No variation or modification of this

Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

§ 20. *Execution.* This Lease may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument, Although this Lease is dated as of June 1, 1970, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 21. *Law Governing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of New York; *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by duly authorized officers, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.

AGREEMENT AND ASSIGNMENT

Dated as of June 1, 1970

between

INTERNATIONAL RAMCO, INC.

and

**THE FIRST PENNSYLVANIA BANKING AND
TRUST COMPANY,
*as Agent***

AGREEMENT AND ASSIGNMENT dated as of June 1, 1970, between the corporation first named following the testimonium below (hereinafter called the Manufacturer) and THE FIRST PENNSYLVANIA BANKING AND TRUST COMPANY, with offices at 15th and Chestnut Streets, Philadelphia, Pennsylvania 19101, acting as Agent under an Agreement dated as of June 1, 1970 (hereinafter called the Finance Agreement), said Trust Company, so acting, being hereinafter called the Assignee.

WHEREAS, the Manufacturer, C. I. T. CORPORATION (hereinafter called the Company), acting through its agent, C. I. T. LEASING CORPORATION, and READING COMPANY (hereinafter called the Guarantor) have entered into a Conditional Sale Agreement dated as of June 1, 1970 (hereinafter called the Conditional Sale Agreement), covering the construction, sale and delivery, on the conditions therein set forth, by the Manufacturer and the purchase by the Company of the railroad equipment described in Annex B to the Conditional Sale Agreement (said equipment being hereinafter called the Equipment);

NOW, THEREFORE, THIS AGREEMENT AND ASSIGNMENT (hereinafter called this Assignment) WITNESSETH: That, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration paid by the Assignee to the Manufacturer, the receipt of which is hereby acknowledged, as well as of the mutual covenants herein contained:

SECTION 1. The Manufacturer hereby assigns, transfers, and sets over unto the Assignee, its successors and assigns:

(a) All the right, security title and interest of the Manufacturer in and to each unit of the Equipment when and as delivered and accepted and upon payment by the Assignee to the Manufacturer of the amount:

required to be paid under Section 5 hereof with respect thereto;

(b) All the right, title and interest of the Manufacturer in and to the Conditional Sale Agreement (except the right to construct and deliver the Equipment and the right to receive the payments specified in the fourth paragraph of Article 2 thereof, in the first paragraph and in subparagraph (a) of the third paragraph of Article 3 thereof, in the last paragraph of Article 16 thereof and reimbursement for taxes paid or incurred by the Manufacturer), and, except as aforesaid, in and to any and all amounts which may be or become due or owing to the Manufacturer under the Conditional Sale Agreement on account of the indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment and interest thereon, and in and to any other sums becoming due from the Company or the Guarantor under the Conditional Sale Agreement, other than those hereinabove excluded; and

(c) Except as limited by subparagraph (b) of this paragraph, all the Manufacturer's rights, titles, powers, privileges and remedies under the Conditional Sale Agreement;

without any recourse, however, against the Manufacturer for or on account of the failure of the Company or the Guarantor to make any of the payments provided for in, or otherwise to comply with, any of the provisions of the Conditional Sale Agreement; *provided, however*, that this Assignment shall not subject the Assignee to, or transfer, or pass, or in any way affect or modify, the obligations of the Manufacturer to construct and deliver the Equipment in accordance with the Conditional Sale Agreement or with respect to its warranties and agreements contained in Arti-

cles 14 and 15 of, or in Item 3 of Annex A to, the Conditional Sale Agreement or relieve the Company or the Guarantor from their respective obligations to the Manufacturer contained or referred to in Articles 1, 2, 3, 6, 10, 14, 15 and 16 of the Conditional Sale Agreement, it being understood and agreed that, notwithstanding this Assignment, or any subsequent assignment pursuant to the provisions of Article 16 of the Conditional Sale Agreement, all obligations of the Manufacturer to the Company with respect to the Equipment shall be and remain enforceable by the Company, its successors and assigns, against and only against the Manufacturer. In furtherance of the foregoing assignment and transfer, the Manufacturer hereby authorizes and empowers the Assignee in the Assignee's own name, or in the name of the Assignee's nominee, or in the name of and as attorney, hereby irrevocably constituted, for the Manufacturer, to ask, demand, sue for, collect, receive and enforce any and all sums to which the Assignee is or may become entitled to under this Assignment and compliance by the Company and the Guarantor with the terms and agreements on their parts to be performed under the Conditional Sale Agreement, but at the expense and liability and for the sole benefit of the Assignee.

SECTION 2. The Manufacturer covenants and agrees that it will construct and deliver the Equipment to the Company in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each and all of the covenants and conditions of the Conditional Sale Agreement to be performed and complied with by the Manufacturer. The Manufacturer further covenants and agrees with, and warrants to, the Assignee and the Company that at the time of delivery of each unit of the Equipment to the Company under the Conditional Sale Agreement it will

have legal title to such unit and good and lawful right to sell such unit, free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Company under the Conditional Sale Agreement and the rights of the Guarantor under the Lease (as defined in the Conditional Sale Agreement), and that the obligation of the Company to pay the Purchase Price of such unit and interest thereon in accordance with the terms of the Conditional Sale Agreement will not be subject to any defense, setoff or counterclaim whatsoever; and the Manufacturer further covenants and agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to said delivery of such unit by the Manufacturer to the Company; all *subject, however,* to the provisions of the Conditional Sale Agreement and the rights of the Company thereunder. The Manufacturer will not deliver any of the Equipment to the Company under the Conditional Sale Agreement until the Conditional Sale Agreement and the Lease have been filed pursuant to Section 20c of the Interstate Commerce Act.

The Manufacturer agrees that in any suit or proceeding brought by the Assignee to collect any instalment of the indebtedness in respect of the Purchase Price of the Equipment, or interest thereon or any other payment due under the Conditional Sale Agreement, or to enforce any provision of the Conditional Sale Agreement, the Manufacturer will indemnify and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, setoff or counterclaim whatsoever of the Company or the Guarantor arising out of the breach by the Manufacturer of any obligation with respect to the Equipment or the construction, delivery or warranty thereof, or under Articles 14 and 15 of, or in Item 3 of Annex A to, the Conditional Sale Agreement. The Assignee will give

notice to the Manufacturer of any suit or proceeding by the Assignee herein described, and will move or take other appropriate action, on the basis of Article 16 of the Conditional Sale Agreement, to strike any defense, setoff or counterclaim asserted by the Company or the Guarantor therein, and if the court or other body having jurisdiction in such suit or proceeding denies such motion or other action and accepts such defense, setoff or counterclaim as a triable issue in such suit or proceeding, the Assignee will notify the Manufacturer thereof and the Manufacturer will thereafter be given the right by the Assignee, at the Manufacturer's expense, to settle or defend such defense, setoff or counterclaim.

Except in cases of designs specified by the Guarantor and not developed or purported to be developed by the Manufacturer, and articles and materials specified by the Guarantor and not manufactured by the Manufacturer, the Manufacturer agrees to indemnify, protect and hold harmless the Assignee from, and against any and all liability, claims, demands, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use of any design, article or material infringing or claimed to infringe on any patent or other right in or about the construction or operation of the Equipment, or any unit thereof.

The Manufacturer agrees that any amount payable to it by the Company or the Guarantor, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any claim, lien, security interest or other encumbrance on any units of the Equipment in respect of which the Assignee pays to the Manufacturer the amount to be paid under Section 5 hereof.

SECTION 3. The Manufacturer will cause to be plainly, distinctly, permanently and conspicuously marked on each side of each unit of the Equipment, at the time of delivery thereof to the Company, in letters not less than one inch in height, the following legend:

“THE FIRST PENNSYLVANIA BANKING AND TRUST
COMPANY, PHILADELPHIA, PENNSYLVANIA,
AGENT-OWNER”.

SECTION 4. Upon request of the Assignee, its successors and assigns, the Manufacturer will execute any and all instruments which may be necessary or proper in order to discharge of record the Conditional Sale Agreement or any other instrument evidencing any interest of the Manufacturer therein or in the Equipment.

SECTION 5. The Assignee, on each Closing Date fixed as provided in Article 3 of the Conditional Sale Agreement with respect to a Group (as defined in said Article 3) of the Equipment, shall pay to the Manufacturer an amount equal to that portion of the Purchase Price (as defined in said Article 3) of such Group not required to be paid pursuant to subparagraph (a) of the third paragraph of said Article 3, provided that there shall have been delivered to the Assignee (with a signed counterpart to the Company) the following documents, in such number of counterparts or copies as may reasonably be requested, in form and substance satisfactory to it and to its special counsel hereinafter mentioned:

(a) Bill of Sale from the Manufacturer to the Assignee, confirming the transfer to the Assignee of se-

curity title to the units of the Equipment in the Group and warranting to the Assignee and to the Company that at the time of delivery to the Company under the Conditional Sale Agreement the Manufacturer had legal title to such units and good and lawful right to sell such units and title to such units was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Company under the Conditional Sale Agreement and the rights of the Guarantor under the Lease;

(b) Certificate or Certificates of Acceptance with respect to the units of Equipment in the Group as contemplated by Article 2 of the Conditional Sale Agreement and the Certificate or Certificates of Delivery pursuant to § 1 of the Lease;

(c) Certificate of an officer of the Guarantor to the effect that prior to delivery and acceptance of units of the Equipment under the Conditional Sale Agreement and the Lease, none of the units of the Equipment was placed in the service of the Guarantor or otherwise was used by the Guarantor;

(d) Invoices addressed to the Assignee for the units of the Equipment in the Group accompanied by or having endorsed thereon a certification by the Company and the Guarantor as to the correctness of the prices of such units as set forth in said invoices;

(e) Opinion dated such Closing Date of Messrs. Cravath, Swaine & Moore, who are acting as special counsel for the Assignee and for the Investor named in Schedule A to the Finance Agreement, addressed to the Assignee and the Investor, stating that (i) the Finance Agreement has been duly authorized, executed and delivered by the Guarantor and is a valid instrument

binding on the Guarantor, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the respective parties thereto and is a valid and binding instrument enforceable in accordance with its terms, (iii) this Assignment has been duly authorized, executed and delivered by the respective parties hereto and is a valid and binding instrument, (iv) the Assignee is vested with all the rights, titles, interests, powers, privileges and remedies purported to be assigned to it by this Assignment, (v) security title to the units of the Equipment in the Group is validly vested in the Assignee and such units, at the time of delivery thereof to the Company under the Conditional Sale Agreement, were free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Company under the Conditional Sale Agreement and the rights of the Guarantor under the Lease, (vi) no approval of the Interstate Commerce Commission or any other governmental authority is necessary for the execution and delivery of the Finance Agreement, the Conditional Sale Agreement or this Assignment, or if any approval is necessary it has been obtained, (vii) the Conditional Sale Agreement and this Assignment have been duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and no other filing or recordation is necessary for the protection of the rights of the Assignee in any state of the United States of America, and (viii) registration of the Conditional Sale Agreement, this Assignment or the certificates of interest delivered pursuant to the Finance Agreement is not required under the Securities Act of 1933, as amended, and qualification of an indenture with respect thereto is not required under the Trust Indenture Act of 1939, as amended;

(f) Opinion dated such Closing Date of counsel for the Company, addressed to the Assignee, stating that (i) the Company is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation, and has the power and authority to own its properties and to carry on its business as now conducted, and (ii) the Conditional Sale Agreement and the Lease have been duly authorized, executed and delivered on behalf of the Company and are valid and binding instruments enforceable against the Company in accordance with their terms;

(g) Opinion dated such Closing Date of counsel for the Guarantor, addressed to the Assignee and the Company, to the effect set forth in clauses (i), (v), (vi) and (vii) of subparagraph (e) above and stating that (i) the Guarantor is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation, and has the power and authority to own its properties and to carry on its business as now conducted, and (ii) the Conditional Sale Agreement, the Lease and the Finance Agreement have been duly authorized, executed and delivered on behalf of the Guarantor and are valid and binding instruments enforceable against the Guarantor in accordance with their terms;

(h) Opinion dated such Closing Date of counsel for the Manufacturer addressed to the Assignee and the Company, to the effect set forth in clauses (iv) and (v) of subparagraph (e) above and stating that (i) the Manufacturer is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation, and has the power and authority to own its properties and to carry on its business as now conducted, and (ii) the Conditional Sale

Agreement and this Assignment have been duly authorized, executed and delivered by the Manufacturer and (assuming due authorization, execution and delivery of the Conditional Sale Agreement by the Company and the Guarantor and of this Assignment by the Assignee) are valid instruments binding upon the Manufacturer and enforceable against the Manufacturer in accordance with their terms; and

(i) Unless payment of the amount payable pursuant to subparagraph (a) of the third paragraph of Article 3 of the Conditional Sale Agreement shall be made by the Assignee with funds furnished to it for that purpose by the Company, a receipt from the Manufacturer for such payment.

In giving the opinions specified in this Section 5, counsel may qualify any opinion to the effect that any agreement is a valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally. In giving the opinions specified in subparagraphs (e), (f) and (g) of the first paragraph of this Section 5, counsel may in fact rely as to the title to the units at the time of delivery to the Company upon the opinion of counsel for the Manufacturer. In giving the opinions specified in subparagraphs (e) and (f) of the first paragraph of this Section 5, Messrs. Cravath, Swaine & Moore and counsel for the Company may in fact rely, as to any matters governed by the law of any jurisdiction other than New York or the United States, on the opinion of counsel for the Manufacturer or the Guarantor as to such matters.

The obligation of the Assignee hereunder to make payment for any Group of the Equipment is hereby expressly conditioned upon the Assignee having on deposit or under the Finance Agreement sufficient funds available to make such payment pursuant to the Finance Agreement and upon payment by the Company of the amount required to be paid by it pursuant to subparagraph (a) of the third paragraph of Article 3 of the Conditional Sale Agreement.

The Assignee shall not be obligated to make any of the above-mentioned payments at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement will constitute an event of default, shall be subsisting under the Conditional Sale Agreement.

In the event that the Assignee shall not make any payment to be made by it as herein provided, the Assignee shall reassign to the Manufacturer, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equipment with respect to which such payment has not been made by the Assignee.

SECTION 6. The Assignee may assign all or any of its rights under the Conditional Sale Agreement, including the right to receive any payments due or to become due to it from the Company or the Guarantor thereunder. In the event of any such assignment any such subsequent or successive assignee or assignees shall, to the extent of such assignment, and upon giving the written notice required in Article 16 of the Conditional Sale Agreement, enjoy all the rights and privileges and be subject to all the obligations of the Assignee hereunder.

SECTION 7. The Manufacturer hereby:

(a) represents and warrants to the Assignee, its successors and assigns, that the Conditional Sale Agreement

was duly authorized and lawfully executed and delivered by it for a valid consideration, that (assuming due authorization, execution and delivery by the Company and the Guarantor) it is a valid and existing agreement binding upon the Manufacturer; and

(b) covenants and agrees that it will from time to time and at all times, at the request of the Assignee or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as may be necessary or appropriate in the premises to give effect to the provisions hereinabove set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Assignee or intended so to be.

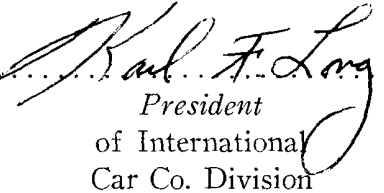

SECTION 8. The terms of this Assignment and all rights and obligations hereunder shall be governed by the laws of the State of New York; *provided, however*, that the parties shall be entitled to all the rights conferred by Section 20c of the Interstate Commerce Act, such additional rights arising out of the filing, recording or depositing of the Conditional Sale Agreement and this Assignment as shall be conferred by the laws of the several jurisdictions in which the Conditional Sale Agreement or this Assignment shall be filed, recorded or deposited, or in which any unit of the Equipment shall be located, and any rights arising out of the marking on the units of the Equipment.

SECTION 9. This Assignment may be executed in any number of counterparts, but the counterpart delivered to the Assignee shall be deemed to be the original counterpart. Although this Assignment is dated as of June 1, 1970, for convenience only, the actual date or dates of

execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by duly authorized officers, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.
